"Almost 5 years ago, my husband and I had our first date walking along the Riverwalk and wound up at the Columbia Cafe for sangria. When we had to downsize our wedding due to COVID, we decided to have our wedding dinner reception at the Columbia Cafe. So it only seemed natural that as part of his wedding gift, I bought my husband a paver to commemorate the day (located just outside the Columbia Cafe, of course)!"
-KRISTIN GEREN

"My *then* fiancé surprised me right before our wedding with a paver! We were walking our dog like we usually do along the riverwalk and right when we got to the spot he stopped us and looked out at the water. Then he told me to look down and surprised me with the paver to celebrate our upcoming wedding. It was so sweet & I love that we have this special memory there now!"
