

LEAVE YOUR MARK, TAMPA

Corporate Paver Recognition Program on the Tampa Riverwalk

Honor the people behind your success in one of Tampa's most visible public spaces, visited by nearly 2 million people each year.

The Tampa Riverwalk stretches 2.6 miles through downtown along the Hillsborough River, connecting parks, museums, restaurants, and gathering spaces. Through Friends of the Riverwalk's personalized paver program, organizations can create lasting recognition that helps us maintain, beautify, and activate the Tampa Riverwalk through community programming, public art, and special events.
