

Poker Run Instructions

1. Go to the website provided in the email you received after paying the boat registration fee.
2. Complete the registration form to register your boat for the poker run.
 - Captain's mobile number
 - Captain's first name
 - Captain's last name
 - Captain's email
 - Boat or team name
 - This process will enroll you in the poker run
 - You will receive a text confirming that your registration is complete, and that you are ready for the poker run.
3. You will receive a text on July 4 reminding you of the boat parade. Don't delete this text. Save the number as a contact – Riverwalk Boat Parade. You will need it later!
4. There will be four 5'x7' poker run signs displayed along the parade route (sample below). Using your phone, safely pass by and scan the QR code on each sign. You must check in at all poker run locations to be eligible to win raffle prizes.
 - Checkpoint 1 - Convention Center Docks (big & small boats)
 - Checkpoint 2 - Armature Works Docks (small boats only)
 - Checkpoint 3 - Marjorie Park Docks (big & small boats)
 - Checkpoint 4 - Sparkman Wharf (big & small boats)
5. If you are unable to scan the QR code, there is a code word at the bottom of the banner that you can text (not case sensitive) to the number that texted you the reminder earlier in the day – remember you saved that as a contact – Riverwalk Boat Parade.
6. Once the parade is over, a report will be generated listing all registered boats and their associated check ins. All boaters who successfully completed the parade and scanned all the QR codes will be eligible to win prizes.
7. Winners will be contacted by email no later than Wednesday, July 6th and arrangements to pick up prizes can be made.
