CITY OF TAMPA

— OFFICE OF THE MAYOR —

Jane Castor, Mayor

The Tampa Riverwalk (the Riverwalk) has substantially transformed the downtown waterfront into a vibrant setting, making our Hillsborough River the center of the city, and it provides connectivity to cultural institutions and public parks. While greatly improving our quality of life, the Riverwalk has become a dynamic catalyst for economic development, community building, and it has become a travel destination. Among its many accolades, it has been named one of Fodor's Travel's *15 Best Riverwalks in the United States*, and USA Today voted it the top *10 Riverwalks and top 10 Best Public Holiday Lights Display* in the nation, Time Magazine's *World's Greatest Places*, and other distinctions.

A source of great pride for Tampa Bay, the Riverwalk laid its first plank 50 years ago, and it provides relief to the urban environment by connecting people with the area's abundant natural resources. With preservation of mangrove-lined living shorelines and the restoration of native springs, our natural flora and fauna are on full display as sustainability is promoted with an eye toward the future. With new construction completed and others underway, including future development of the West Riverwalk, the face of the Riverwalk and its amenities enhance the experience for all.

Friends of the Riverwalk is a nonprofit organization established in 2005 and working in partnership with the City of Tampa with a mission of developing and promoting the Riverwalk, and they have been instrumental in activating Tampa's waterfront to provide the types of experiences that were envisioned when the project began five decades ago. The organization's goals include connecting the downtown waterfront parks, museums, attractions, and businesses while supporting further expansion, and their efforts to produce high quality events such as the Tampa Riverfest, July 4th Boat Parade & Blessing of the Fleet, Riverwalk Trick or Treat, the Lantern Parade at Riverfest, the Holiday Harbour Tree Lighting and Holiday Spectacular, Winter Village at Curtis Hixon Waterfront Park, Holiday Lighted Boat Parade, and more, offer interactive activities that engage the entire community and has elevated the Riverwalk's identity.

Friends of the Riverwalk administers a variety of programs, including Riverwalk clean-ups, the Specialty Cup Program to-go cups, personalized pavers, customized corporate banners, the Historical Monument Trail, and other initiatives that continue to promote and define the area as an inclusive space enjoyed by both residents and visitors. We look forward to their involvement in the next chapters of the Riverwalk's evolution.

It is an exciting and rewarding time to serve as your Mayor, and the continued progress and improvements on the existing Riverwalk will serve to define and transform Tampa, adding to its success as a great city.

Sincerely,

Jane Castor

Letters from our leadership

Dear Friends, Partners, and Supporters,

As Chair of Friends of the Riverwalk Inc., I am honored to reflect on FY 2025—a year marked by resilience, national recognition, and meaningful progress for the Tampa Riverwalk. Together, we strengthened our organization, expanded our reach, and delivered memorable experiences for residents and visitors alike.

This year, the Tampa Riverwalk achieved significant national acclaim. It was named #2 Best Riverwalk by USA Today, and our Holiday Spectacular earned recognition as one of the Top Public Holiday Lights Displays in the country. We also reached a major organizational milestone by earning the GuideStar Platinum Transparency Seal, the highest standard for nonprofit accountability. In addition, Riverwalk Trick or Treat received a nomination for an Urban Excellence Award, highlighting the event's sustained community impact.

FY 2025 was also a year of strategic and operational advancement. We completed a full redesign of the Tampa Riverwalk website and refreshed the TAA brochure map to better serve visitors, partners, and members. Our partnership with the City of Tampa continued to deepen, including City support for social action and arts programming, active work toward a formal Services Agreement, and inclusion in the City's FY 2026 budget under City Asset Funding.

Despite challenges from two hurricanes, our signature events thrived. Riverwalk Trick or Treat returned for its eighth year, Riverfest celebrated its most successful year to date, our holiday events exceeded expectations, and the July 4th Boat Parade delivered strong community engagement.

Organizational growth remained strong throughout the year. We welcomed new corporate and Tampa Attraction Brochure members, expanded philanthropic support beyond expectations, and saw continued success in our banner and cup programs. Our digital presence grew substantially, with significant increases across Facebook and Instagram, allowing us to connect with a broader audience than ever before.

Environmental stewardship also remained central to our mission. Through four organized clean-ups, hundreds of volunteer hours were dedicated to maintaining the Riverwalk, resulting in the removal of hundreds of pounds of debris and reinforcing our shared commitment to preserving this vital public space.

These accomplishments are made possible by the unwavering support of our board, staff, volunteers, sponsors, members, and partners. Thank you for helping the Tampa Riverwalk continue to thrive as a vibrant and connected public space.

With gratitude,

Anthony Derby
Chair, Friends of the Riverwalk Inc.

Letters from our leadership

Dear Friends of the Tampa Riverwalk,

As we reflect on 2025, I am incredibly proud of the momentum, resilience, and community spirit that continue to define Friends of the Tampa Riverwalk. This past year was one of meaningful progress—strengthening what we do best while laying the groundwork for an even more vibrant and connected future along Tampa's waterfront.

In 2025, the Riverwalk once again served as a gathering place for our community through beloved signature events including Riverwalk Trick or Treat, the Holiday Spectacular, Tampa Riverfest, the July 4th Boat Parade & Blessing of the Fleet, and the inaugural New Year's Eve Fireworks celebration. This exciting new event marked a major milestone for Friends of the Riverwalk, welcoming the community to ring in the new year along the river and further establishing the Riverwalk as Tampa's premier destination for shared civic celebrations. Together, these free, family-friendly events brought thousands of residents and visitors to the waterfront, reinforcing the Riverwalk's role as a shared public space where memories are made and traditions continue to grow.

Beyond events, we made important strides in enhancing the everyday Riverwalk experience. Our "Paving the Way" program continued to expand, allowing more individuals, families, and organizations to leave a lasting mark along the Riverwalk. We also advanced efforts to improve wayfinding, lighting, and amenities—projects made possible through strong public-private partnerships and the generous support of our donors and sponsors.

A major focus in 2025 was strengthening the foundation of our organization. From expanding partnerships and diversifying revenue to investing in marketing, data, and planning, we are ensuring Friends of the Riverwalk is well-positioned to steward this iconic public space for years to come. These behind-the-scenes efforts are critical to supporting both our programming and long-term capital improvements.

None of this work happens in isolation. I am deeply grateful to our board of directors, volunteers, sponsors, city and county partners, and community stakeholders who share in our mission. Your continued belief in the Tampa Riverwalk—and in Friends of the Riverwalk—makes everything we accomplish possible.

As we look ahead to 2026 and beyond, we are energized by new opportunities to enhance the Riverwalk, deepen community engagement, and contribute to Tampa's ongoing growth as a world-class waterfront city. Thank you for walking alongside us and for being part of the Riverwalk's story.

With sincere appreciation,

MaryBeth Williams
