

ABOUT FRIENDS OF THE RIVERWALK

Friends of the Riverwalk is a non-profit 501 (c) (3). Our goal is to enhance the quality of life and build a stronger sense of community for Tampa Bay by preserving the waterfront for use by our citizens and visitors in a way that inspires a sense of ownership and invites active participation in city life.

THANK YOU

With the support of members like you, Friends of the Riverwalk plays a leading role in the generation of resident and tourist use of the Tampa Riverwalk through events, natural partner involvement and overall marketing of the Riverwalk. We raise funds for Riverwalk enhancements such as shade structures, docks, water fountains, bike repair stations, wellness events, educational opportunities and entertainment venues. We also are responsible for the Historical Monument Trail which are 30 beautiful bronze and marble busts that tell the story of the most noteworthy people and the significant events that have shaped the history of Tampa and Hillsborough County.
